

## **AMA CHARTER 534**

### **General Meeting Minutes**

July 14, 2026

President Jay Strickland opened the meeting at 7:00PM at the Senior Center with Seventeen members present.

**Welcome-** No new members or guests tonight. Special thank you to Babe who brought fresh doughnuts!

**Minutes:** Gen Mtg. Minutes for May 12 and E.X. board minutes for June 9 read by Jay- available online

**Treasurer report:** Allan reports total funds of \$23,803.82 This includes final payments for concrete project. Funds disbursed optimally among our accounts- thank you Allan!

#### **Old Business**

**Concrete Field Improvement-** The project is complete. M&S to present Jeff F. and Paul H. 2027 Rogue Eagles memberships in appreciation for their herculean efforts and power equipment use to finish the field. Discussion and passed unanimously. Thank you Jeff and Paul!

**Airshow-** There will not be an official airshow this year. We are looking at possible alternatives. Discussion of tentative events and scheduling referred to Club handbook

**Club Officers:** We are actively seeking a **PR Coordinator** and **Webmaster**. Rob and Sean have both done a fantastic job for the Rogue Eagles but they will both be done in January. If you have an interest in running a website or representing the club to the community please contact a board member. These are all voting Executive Board positions and vital to our success so please consider supporting your club this way.

**Safety-** Mike reported his research on RC field layouts revealed our field to be the relatively safest of any field he looked at. As for engines throwing props, He suggested that Four Stroke engines utilize a locking prop nut vs a single nut (or Hub) which can be spun off by your starter. This is especially important for larger engines. We are not sure if this is detonation, wood prop shrinkage or some other cause at this time.

## General Meeting Minutes (7/14) Cont'd

### New Business

**Donations for Club-** Discussion over our policy on donations that are for our club's benefit but get turned over to a random individual at the field. The "Whos and Hows" of this will be included in all future New member introductions. How these donations get stored is being worked out and will be communicated. **We are our best safety tool!**

**Pylon Race-** Second Club Pylon race is Saturday (July 18) Very competitive racing that you can enjoy for a \$70 Raceplane. We still have a couple left until restock which was M&S not to exceed \$1,000 when available. Discussion and passed. Scott will monitor HobbyKing for availability.

**AMA Expo-** Umpqua Valley Flyers hosted the Expo on 6/27,28 and some members who attended reported it was a very good time

**Built Models Weekend-** Martin W. reported on the upcoming event scheduled Fri./Sat. Sept 4,5 These will be wood built models and there will be several classes. A flyer is available outlining the event. This is always a fun event and Martin is figuring out how to make it even better!

**Front Gate and Unruly visitors-** Some discussion over when and how to close the gate when you are the last club member out. Further discussion on "belligerent guest" SOP

**Runway-** Scott brought up crack repair to our runway and this is typically done in the fall before we reseal in Spring.

**Show and Tell-** Martin brought a rotary engine to pass around. John G brought in his "Mike's 3D Warbirds" This racer comes with servos installed, bolt on your motor add ESC and radio/Batt and you are racing! See Mike for details

**IMAC-** Scott H and Jerry S placed Second and Third at Mollala IMAC in the Masters Class. Way to represent the Rogue Eagles gentlemen!

**50/50 raffle-** Won by Paul . netting him \$22 yahoo!

**Meeting adjourned 2010PM**
