#### **Unfinished Business:**

Roger Hebner was thanked for his many years of service to the club.  
Joe Geiger was introduced and welcomed as the new club Treasurer.

Our annual charity airshow was discussed. Larry Cogdell showed the members the 2 works of art (prints on canvas) donated by member Bill Phillips, nationally known aviation artist. These are to be auctioned off at the charity airshow.

Larry Meyers gave an update of airshow preparations. A work party is scheduled for the morning of Saturday August 19. The field needs weed eaters and general clean up.

Media day for the airshow is Thursday August 24<sup>th</sup>.

Larry Cogdell gave an update on the Mall show August 12<sup>th</sup>. Members are encouraged to come talk to the public and/or show an airplane from 10 AM to 9 PM.

Airplane starting station orientation was discussed. Art Kelly made a motion to have all starting stations oriented so that the pilot starts the engine facing the runway (this is the opposite of the way they currently face). Seconded, discussed, 12 yes - 4 no, passed.

## **New Business:**

Jay Strickland made a motion to approve \$40 expenditure to install "Sun Block spots" at all pilot flying stations. These disks will block the morning sun if the pilot stands slightly back in the pilot station. Seconded, discussed, passed.

Wasps were reported as being a problem. Rod Graham has recently sprayed suspected nests but it is difficult to spray the inside corners of the cable spools. More spraying will be done before the airshow as part of the field clean up.

Jay has found some smaller spools that he will bring to the field to replace some of the spools that are falling apart. He recommends painting them so they will last longer.

50/50 drawing was won by Allan Littlewood. Cash + battery chargers donated by Larry Cogdell.

## **Show and Tell:**

Nothing this month.
