## About Rogue Eagles RC Club

With over 125 members, we are one of the premiere radio control clubs in Oregon. In just the past few years we have installed a brand new 600 foot runway, a hardtop circle for control-line models, and a dedicated helicopter / multirotor drone flight zone. We strive to make Agate Skyways a family friendly environment because flying RC models is fun for kids of all ages! New members are always welcome and we have instructors to help you learn how to fly. For more information on our club, and how to join, please visit our website; [rogue-eagles.org](http://rogue-eagles.org). **Or please ask us today at the show!**
