

ROGUE EAGLES AVIATION CAMP

Dear Parents,

The Rogue Eagles R/C club is pleased to announce our inaugural Aviation Sumer Camp. It is offered to boys and girls who will be in grades 7-9 in the fall of 2021.

<u>Date/Time</u>		<u>Locations</u>
Thursday, July 15:	9:00am - Noon	Agate Skyways, 888 E. Antelope Road
Friday, July 16:	9:00am - Noon	Rogue Valley International-Medford Airport **
Saturday, July 17:	9:00am - Noon	Agate Skyways, 888 E. Antelope Road

Students must be transported to these locations each day. Tuition is \$25 per student. Note: Masks are optional at Agate Field but will be required at the Airport. Our capacity is limited to 15 students, so there will be a strict process for applying by email, covered below:

The Camp will introduce students to the principles of aerodynamics and expose them to the broad career opportunities available in the fields of aviation. There will be detailed instruction using models, flight simulators, building gliders and observing performance characteristics. Students will also fly both U Control and Radio Control aircraft. Experienced R/C pilots will offer demonstrations of various forms of flight including rockets, helicopters, aerobatic and turbine powered jets.

Friday provides a day at Medford International Airport with a tour of operations, TSA and fire safety facilities. The day will continue at Million Air, an aviation service company located at the airport. Students will have the opportunity to sit in the cockpits of various aircraft, study navigation charts and interact with staff involved in maintaining aircraft.

While this event is not limited to members of the Boy Scouts, it does meet most of the requirements for the Aviation Merit Badge and is offered in cooperation with the local Crater Lake Council.

Agate Skyways is outdoors, has bathrooms, plenty of parking and covered areas for meeting.

Application for the 15 spots:

1. Send an email to afkelly25@gmail.com **no sooner than 10:00am on June 28**. Emails received prior to this date will not be considered.
2. Provide the specific number of students for whom you are applying. Please limit the number to those within your immediate household.
3. Rogue Eagles R/C club will review emails received and will select the first 15 received based on time stamp **after** 10:00am.
