

AMA CHARTER 534

Board Meeting Minutes

August 25, 2022

Vice President Scott Hudson opened the meeting at 7:10 PM with 6 board members present.

Old Business

Runway Sealing:

Scott tells us that the Runway Sealing is scheduled for Wed. Sept. 7, 2022.

The field should be dry and usable the following day.

New Business

Reacts

It was mentioned that some club members are still not getting REACT notices.

More attention will be given to rectify this.

Estate Sale

Scott tells us that there is a planned estate sale in Sept. or Oct consisting mostly of foamies, possibly on same day as our Club Swap Meet , Oct. 1.

Air Show Recap

Rich Josephson thanked all members who helped put on this year's Airshow. It was a big success and he received lots of good feedback from visitors and members.

The media showed up and he mentioned that Rob Merriman did a great job organizing the PR for the show.

Rob will organize a photo OP with Asante when we present them with our donation check .

It was thought that the street sign installation made up for not doing the Mall Show this year.

Rich shared some ideas about doing an advertising flyer for next year's Air Show and to have special Air Show T-Shirts available to sell.

The Food and Ice Cream truck vendors also reported good sales.

There was discussion about trying to have the next Year's Air Show when it is cooler...more discussion needed.

New Students

Rob Merriman reports that the 3 new student pilots are doing well and that the "Aero Scout" foamie aircraft seems to be the perfect training vehicle to get started on with low, medium and advanced rates and the emergency button if needed. Most students are able to solo without using the buddy box system now!

Future membership

There was discussion on how to increase future youth membership....to be continued.

Meeting adjourned at 8:00 PM
